Downbelow Station Nov 13 2021

Alliance Rising May 19 2022 SFWA Grand Master Cherryh returns to the Hugo-award winning Alliance-Union Universe with a thrilling entry in her far-reaching sci-fi saga. For years, the stations of the Hinder Stars, those old stations closest to Sol, have lagged behind the great megastations of the Beyond, like Pell and Cyteen. But new opportunities and fears arise when Alpha station receives news of an incoming ship with no identification. The denizens of Alpha wait anxiously for news about the outsiders, each with their own suspicions about the ship and its origins. Ross and Fallon, crew members of the Galway, believe the unidentified ship belongs to Pell and has come to investigate another massive ship docked at Alpha, The Rights of Man. Though Rights is under the command of the Earth Company, it is not quite perfected—and its true purpose is shrouded in mystery. James Robert Neihart, captain of Finity's End—a huge faster-than-light ship flown by one of the Merchanter Families—has heard whispers of The Rights of Man and wonders at its design and purpose, especially as Sol struggles to rival the progress of the Farther Stars. Now docked at Alpha, he must convince the crews that there is more to The Rights of Man than meets the eye. Because the reasons behind the creation of The Rights of Man, and its true plans, could change everything—not just for Sol, but for the Hinder Stars and the Beyond itself.

Cruel Doubt Mar 05 2021 From the New York Times bestselling author of Fatal Vision comes a shocking true account of murder, family secrets, and final justice now available for the first time as an e-book... One hot summer night in 1988, Bonnie Von Stein's second husband was murdered in their bed, Bonnie herself stabbed, beaten, and left for dead beside him. It looked like a brutal but tragically typical case: Von Stein was newly wealthy, and Bonnie's troubled son Chris, seemed like the obvious suspect. But Chris turned out to have an air-tight alibi and new leads suggested the crime could be much more complex. The trail led to Chris's two strange new friends from college and a real-life enactment of a bizarre Dungeons and Dragons fantasy adventure, and it implicated Bonnie's teenage daughter as well. In Cruel Doubt, Joe McGinniss probes the dark heart of family life and small-town North Carolina society to uncover a fascinating and terrifying story that is at once a chilling murder mystery, a tense courtroom drama, and a heartbreaking account of a mother forced to doubt her own children.

Through her associations with the Virgin Mary, devotion to Yemaya spread throughout Latin America. Cuban immigrants brought Yemaya with them to the US, where her veneration expanded exponentially. No longer a local water spirit, she became an internationally beloved goddess whose devotees derive from numerous traditions and who worship her in her many fluid forms. Yemaya currently ranks among the most beloved goddesses worldwide. Raven Morgaine, a priest of Yemaya for over three decades, shares his expertise and knowledge in *Yemaya: Orisha, Goddess, and Queen of the Sea*, the first full-length English language book accessible to general readers. Tolkien and Ann McCaffrey. With the team of Preiss and Reaves, there are three, and may they write and write and write." —United Press International Somewhere beyond the northern mists lies a land where dreams live and dragons are real. By Schism Rent Asunder Jun 08 2021 The sequel to the New York Times best seller *Off Armageddon Reef* The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Divergence Sep 30 2020 The twenty-first book in the beloved *Foreigner* saga continues the adventures of diplomat Bren Cameron, advisor to the atevi head of state. The overthrow of the atevi head of state, Tabini-aiji, and the several moves of enemies even since his restoration, have prompted major changes in the Assassins' Guild, which has since worked to root out its seditious elements—a clandestine group they call the Shadow Guild. With the Assassins now rid of internal corruption, with the birth of Tabini's second child, and with the appointment of an heir, stability seems to have returned to

the atevi world. Humans and atevi share the space station in peaceful cooperation, humans and atevi share the planet as they have for centuries, and the humans' island enclave is preparing to welcome 5000 human refugees from a remote station now dismantled, and to do that in unprecedented cooperation with the atevi mainland. In general Bren Cameron, Tabini-aiji's personal representative, returning home to the atevi capital after securing that critical agreement, was ready to take a well-earned rest—until Tabini's grandmother claimed his services on a train trip to the smallest, most remote and least significant of the provinces, snowy Hasjuran—a move concerning which Tabini-aiji gave Bren a private instruction: protect her. Advise her. Advise her—perhaps. As for protection, she has a trainload of high-level Guild. But since the aiji-dowager has also invited a dangerously independent young warlord, Machigi, and a young man who may be the heir to Ajuri, a key northern province—the natural question is why the dowager is taking this ill-assorted pair to Hasjuran and what on this earth she may be up to. With a Shadow Guild attack on the train station, it has become clear that others have questions, too. Hasjuran, on its mountain height, overlooks the Marid, a district that is part of the atevi nation only in name—a district in which Machigi is one major player, and where the Shadow Guild retains a major stronghold. Protect her? Ilisidi is hellbent on settling scores with the Shadow Guild, and her reasons for this trip and this company now become clear. One human diplomat and his own bodyguard suddenly seem a very small force to defend her from what she is setting in motion.

Explorer Sep 11 2021 The sixth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences... It has been nearly ten years since the starship Phoenix returned to Alpha, the station orbiting the world of the atevi, which had been abandoned following a rift between a faction of the station's inhabitants and the spacers' Pilot's Guild. The unexpected return of the Phoenix has forever changed the lives of both atevi and Mospheirans, for over the ensuing decade, the captains of the Phoenix have brought both species into space. Their motivation seemed simple: Reunion Station, a human station in another sector of space, had been destroyed by aliens. But on his deathbed, the senior captain of the Phoenix admits that he lied to the crew—that Reunion was merely damaged, not destroyed, and many people may have survived. At this disclosure, the crew rebels and forces the Phoenix to undertake a rescue mission to Reunion. Onboard the rescue mission are Bren Cameron, brilliant human paidhi representing the atevi ruler Tabini-aiji, and Tabini's grandmother Ilisidi, a fearsome and ambitious atevi leader with an agenda of her own. Trapped in a distant star system with little fuel left, facing a bellicose alien ship, how can Bren help to avoid interspecies war when the notoriously secretive Pilot's Guild aboard Reunion Station refuse to cooperate, and may have kept the inhabitants of their own station ignorant of their true situation? The long-running Foreigner series can also be enjoyed by more casual genre readers in sub-trilogy installments. Explorer is the 6th Foreigner novel, and the 3rd book in the second subtrilogy.
