To Feel Stuff Dec 02 2020 A tale of a college student beset with afflictions, by an author whose “books are shot through with light and dark, with strangeness and humor” (Kelly Link). Meet Elodie Harrington, college student and medical anomaly. From chicken pox to tuberculosis, Elodie suffers such a frequent barrage of illnesses that she moves into the Brown University infirmary. When charismatic Chess Hunter enters the infirmary with two smashed knees, he and Elodie begin an intense affair—but Chess is only a visitor to Elodie’s perpetual state of medical siege. As he heals, he moves back to his former life. But Elodie heads in the other direction and begins to experience strange visions. When Professor Mark Kirschling, MD, gets wind of Elodie, he’s convinced he can make his professional mark by cracking her case. But he’s entirely unprepared for what he’s about to encounter. By the author of *Like the Red Panda*, *To Feel Stuff* is a novel that is “a satire, ghost story, college romance, and medical drama . . . Seigel’s confidence—her intelligence and nerve—lets her take risks that sweep the reader along” (Bret Easton Ellis, bestselling author of *Less than Zero* and *American Psycho*).

Jenny Plague-Bringer Dec 14 2021 The fourth book in the Paranormals series, following *Jenny Pox*, *Tommy Nightmare*, and *Alexander Death*. Jenny has survived in seclusion for the past year, but her peace is about to be shattered by two new paranormals, each of them with unknown intentions, both of them searching for Jenny and Seth. The nightmares of Jenny's most recent past life in the 1930's erupt into the present, and she will face enemies old and new. Jenny is more vulnerable than ever, because she can't use her pox without risking the small life now growing inside her. Jenny's entire life has led up to the challenge she must now face, one that will endanger her life, her unborn child, and her own soul.

Ellie Jordan, Ghost Trapper Jul 21 2022 Ellie Jordan's job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, one of the oldest and most haunted cities in North America. When a family contacts her to deal with a disturbing presence in the old mansion they've recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil older and more powerful than she'd ever expected, rooted in the house's long and sordid history

of luxury, sin, and murder. The dangerous entity seems particularly interested in her clients' ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child.

Fire Devil Oct 20 2019 Ellie's pursuit of a possessed friend and her own worst enemy takes her across the United States into forgotten corners of the countryside through haunted hotels, ghost towns, and strange highways, and toward the site of a horrific fire haunted by hundreds of spirits. Together with her team, plus help from an eccentric exorcist from Texas, prepares for the fight of her life, a fight destined since her own childhood. Ellie's past and present collide in a final confrontation that will change the course of her life, giving her a chance to finally be rid of her most dangerous personal demon-if he doesn't kill Ellie first, along with the people she cares about the most.

Infinity Jun 27 2020 At fourteen, Nick Gautier thinks he knows everything about the world around him. Streetwise, tough, and savvy, his quick sarcasm is the stuff of legends. . .until the night when his best friends try to kill him. Saved by a mysterious warrior who has more fighting skills than Chuck Norris, the teenaged Nick is sucked into the realm of the Dark-Hunters: immortal vampire slayers who risk everything to save humanity. Nick quickly learns that the human world is only a veil for a much larger and more dangerous one: a world where the captain of the football team is a werewolf and the girl he has a crush on goes out at night to stake the undead. But before he can even learn the rules of this new world, his fellow students are turning into flesh-eating zombies--and he's next on the menu. As if starting high school isn't hard enough. . .now Nick has to hide his new friends from his mom, his chain saw from the principal, and keep the zombies and the demon Simi from eating his brains, all without getting grounded or suspended. How in the world is he supposed to do that?

All These Lives Apr 18 2022 Sixteen-year-old Dani is convinced she has nine lives. As a child she twice walked away from situations where she should have died. But Dani's twin, Jena, isn't so lucky. She has cancer and might not even be able to keep her one life. Dani's father is in denial. Her mother is trying to hold it together and prove everything's normal. And Jena is wasting away. To cope, Dani sets out to rid herself of all her extra lives. Maybe they'll be released into the universe and someone who wants to live more than she does will get one. Someone like Jena. But just when Dani finds herself at the breaking point, she's faced with a startling realization. Maybe she doesn't have nine lives after all. Maybe she really only ever had one.

The Beautiful and the Cursed Jan 15 2022 It was bizarre and inexplicable, and after it happened, Ingrid Waverly was forced to leave her life in London behind. She had to trade a world full of fancy dresses and society events for exile in gothic Paris with her mother and her younger sister, Gabby. In Paris there are no grand balls or glittering parties, and disturbingly, the house rented by Ingrid's twin brother, Grayson, isn't a house at all. It's an abbey. A creepy, old abbey with a roof lined in stone gargoyles that could almost be mistaken for living, breathing creatures. And to top it all off, Grayson is missing. Yet no one seems to be concerned about Grayson's whereabouts save for

Luc, a devastatingly handsome servant who has some deep and dark secrets of his own. There's one secret about the city that even Luc can't keep hidden, though: there's a murderer on the loose. And every day that Grayson is missing means there's less chance he's still alive. Ingrid is sure her twin isn't dead--she can feel it deep in her soul--but she knows that he's in grave danger, and that it's up to her and Gabby to find him before all hope is lost. And yet the path to him is more dangerous than she could ever imagine.

Critical Thinking Jun 08 2021 Comprehensive and engaging, this extensively revised edition of a student and instructor favorite introduces the basics of critical thinking using the claims of pseudoscience and the paranormal. Guides readers through the critical thinking process by considering different types of support (sources, logic, and scientific observation) and ruling out alternative explanations. Allows students to practice and apply their new critical thinking skills on claims of extraordinary cures including energy treatments, complementary/alternative medicine and faith healing as well as four paranormal claims of consequence: astrology, spiritualism and the afterlife, parapsychology, and creationism. Couples a conversational, nontechnical narrative with student-friendly pedagogical tools, including critical thinking questions and a study guide for each chapter. Provides clear and open-minded discussions of the paranormal spectrum, belief justification surveys, the placebo effect, and the relationship between religion and critical thinking

A History of Wild Places Aug 22 2022 In this “riveting, atmospheric thriller that messes with your mind in the best way” (Laini Taylor, New York Times bestselling author), three residents of a secluded, seemingly peaceful commune investigate the disappearances of two outsiders. Travis Wren has an unusual talent for locating missing people. Often hired by families as a last resort, he takes on the case of Maggie St. James—a well-known author of dark, macabre children’s books—and is soon led to a place many believed to be only a legend. Called Pastoral, this reclusive community was founded in the 1970s by like-minded people searching for a simpler way of life. By all accounts, the commune shouldn’t exist anymore and soon after Travis stumbles upon it...he disappears. Just like Maggie St. James. Years later, Theo, a lifelong member of Pastoral, discovers Travis’s abandoned truck beyond the border of the community. No one is allowed in or out, not when there’s a risk of bringing a disease—rot—into Pastoral. Unraveling the mystery of what happened reveals secrets that Theo, his wife, Calla, and her sister, Bee, keep from one another. Secrets that prove their perfect, isolated world isn’t as safe as they believed—and that darkness takes many forms. “As spine-chilling as it is beautifully crafted” (Ruth Emmie Lang, author of *Beasts of Extraordinary Circumstance*), *A History of Wild Places* is a story about fairy tales, our fear of the dark, and losing yourself within the wilderness of your mind.

Bearing It All (Alpha Werebear Shifter Paranormal Romance) Feb 16 2022 From

USA TODAY best-selling author Anya Karin writing as Lynn Red comes a steamy, seductive, hilarious and delicious alpha werebear romance. Curvy, witty, carrot-topped Violet Larue is a fox shifter with a goal – she NEEDS to find herself a mate before she goes absolutely nuts. After a string of bad relationships that left her heartbroken, and a bunch of dates that were more pie-in-the-face than swept-off-her-feet, Violet is just about ready to throw in the towel. She wants someone to chase her, to possess her, to make her his mate. Somehow convinced to attend the only cage fight she's ever seen, Violet has no idea that she's about to lay eyes on just the bear for her. Muscled, inked-up and one of the most dangerous fighters in the world, "Crag" Morgan is the bear of Violet's dreams. With a dark past and an even darker present, love is nowhere near the top of Crag's to-do list... until he's looking around the crowd and catches a glimpse of a redhead with eyes that make his heart skip a beat. He is everything she ever wanted. A self-assured, massively powerful alpha with a waist just perfect for wrapping her legs around? Uh, yes please! But little does Violet know that in the split second Crag spied her in the audience, she stole his heart. The bad boy fighter decided then and there to do whatever it takes to claim her... forever. Note: THE JAMESBURG SHIFTERS is a series of standalone novels each featuring a unique hero and heroine and a satisfying HEA ending. No cliffhangers here! Books can be enjoyed in any order you like!

The Game of Hope Mar 25 2020 For Napoleon's stepdaughter, nothing is simple - especially love. Paris, 1798. Hortense de Beauharnais is engrossed in her studies at a boarding school for aristocratic girls, most of whom have suffered tragic losses during the tumultuous days of the French Revolution. She loves to play and compose music, read and paint, and daydream about Christophe, her brother's dashing fellow officer. But Hortense is not an ordinary girl. Her beautiful, charming mother, Josephine, has married Napoleon Bonaparte, soon to become the most powerful man in France, but viewed by Hortense at the outset as a coarse, unworthy successor to her elegant father, who was guillotined during the Terror. Where will Hortense's future lie? it may not be in her power to decide. Inspired by Hortense's real-life autobiography with charming glimpses of life long ago, this is the story of a girl destined by fate to play a role she didn't choose.

Men in Black Dec 22 2019 Who are the Men in Black? Do they really exist? Let's find out! Relatively little is known about the Men in Black, also known as M.I.B., yet the scant few details that have surfaced are enough to send chills up your spine. The eyewitness accounts of their visits, as fleeting as they are, seem to punch us in the gut as soon as we hear them. These narratives play upon our most unsettling fears and sinking suspicions. Indeed, these strange, goose-bump-inducing maestros of mystery

seem to be purposefully playing upon our fears like a finely feathered fiddle. These mysterious figures are notorious for their ability to raise our emotions of dread and anxiety to a fever pitch. Those who've undergone the MIB treatment say this is why they suddenly lose their desire to speak out about paranormal events they had witnessed. Did you see something strange in the sky? Do you want to tell all your friends about how amazing it was? Well-a few words from the Men in Black, and you may never speak of it again! If they are working for the U.S. government, then the American intelligence apparatus is much more sophisticated and farther reaching than even Edward Snowden could have imagined. But most who encounter the Men in Black walk away with the sinking suspicion that the mystery of these entities goes much deeper than the deepest of deep state secrets. Whatever the case may be, you won't find a book with as a detailed history of this incredible phenomenon anywhere else. So, before the MIB decide to confiscate it, go ahead and read through this book! Scroll back up and order your copy today!

PAPA'S PARANORMAL TALES Jul 09 2021 A heady mix of paranormal tales from India to give the reader goose-bumps, handed down verbally from generation to generation. Supernatural sightings of female demons, disguised as lovely women, set out to lure unsuspecting young men to their death. Reincarnated spirits born again, ghostly apparitions of dead relatives, haunted houses, grave robbers and spooks arising from their tombs at the stroke of mid-night, local superstition and myths form part of the anecdotes. These collected stories, were always related to pass the time before going to bed in the days when there were no TVs or cyber activities to serve as distractions. The narrator often was the family patriarch and the audience were generally family members and any visiting guests. The selected settings for listening to the stories were ideal – either on house terraces or front yards of homes amidst the dark shadows of the palms and other trees lit only by starlight or moonlight. Silence reigned except for the occasional sounds of the hooting of resident owls from abandoned old houses adding to the eerie atmosphere.

Ghosts of Rosewood Asylum Nov 13 2021 A host of a paranormal investigation TV program gets the opportunity to investigate Rosewood Asylum, an insane asylum with a long history of hauntings. A tale of suspense.

The Skeptics' Guide to the Universe Apr 25 2020 An all-encompassing guide to skeptical thinking from podcast host and academic neurologist at Yale University School of Medicine Steven Novella and his SGU co-hosts, which Richard Wiseman calls "the perfect primer for anyone who wants to separate fact from fiction." It is intimidating to realize that we live in a world overflowing with misinformation, bias, myths, deception, and flawed knowledge. There really are no ultimate authority figures-no one has the secret, and there is no place to look up the definitive answers to our questions (not even Google). Luckily, The Skeptic's Guide to the Universe is your map through this maze of modern life. Here Dr. Steven Novella-along with Bob Novella, Cara Santa Maria, Jay Novella, and Evan Bernstein-will explain the tenets of skeptical thinking and debunk some of the biggest scientific myths, fallacies, and

conspiracy theories—from anti-vaccines to homeopathy, UFO sightings to N- rays. You'll learn the difference between science and pseudoscience, essential critical thinking skills, ways to discuss conspiracy theories with that crazy co- worker of yours, and how to combat sloppy reasoning, bad arguments, and superstitious thinking. So are you ready to join them on an epic scientific quest, one that has taken us from huddling in dark caves to setting foot on the moon? (Yes, we really did that.) DON'T PANIC! With *The Skeptic's Guide to the Universe*, we can do this together. "Thorough, informative, and enlightening, *The Skeptic's Guide to the Universe* inoculates you against the frailties and shortcomings of human cognition. If this book does not become required reading for us all, we may well see modern civilization unravel before our eyes." -- Neil deGrasse Tyson "In this age of real and fake information, your ability to reason, to think in scientifically skeptical fashion, is the most important skill you can have. Read *The Skeptics' Guide Universe*; get better at reasoning. And if this claim about the importance of reason is wrong, *The Skeptics' Guide* will help you figure that out, too." -- Bill Nye

Second Glance Oct 24 2022 Picoult's eeriest and most engrossing work yet delves into a virtually unknown chapter of American history--Vermont's eugenics project of the 1920s and 30s--to provide a compelling study of the things that come back to haunt those in the present, both literally and figuratively.

Marshfield Dreams Aug 10 2021 The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug, to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling.

The Enchantment Emporium Mar 05 2021 The bestselling author of the Blood Books delivers a masterful new urban fantasy. Curties & Conspiracies Aug 30 2020 Does one need four fully grown foxgloves for decorating a dinner table for six guests? Or is it six foxgloves to kill four fully grown guests? Sophronia's first year at Mademoiselle Geraldine's Finishing Academy for

Young Ladies of Quality has certainly been rousing! For one thing, finishing school is training her to be a spy (won't Mumsy be surprised?). Furthermore, Sophronia got mixed up in an intrigue over a stolen device and had a cheese pie thrown at her in a most horrid display of poor manners. Now, as she sneaks around the dirigible school, eavesdropping on the teachers' quarters and making clandestine climbs to the ship's boiler room, she learns that there may be more to a field trip to London than is apparent at first. A conspiracy is afoot--one with dire implications for both supernaturals and humans. Sophronia must rely on her training to discover who is behind the dangerous plot-and survive the London Season with a full dance card. In this bestselling sequel to New York Times bestselling *Etiquette & Espionage*, class is back in session with more petticoats and poison, tea trays and treason. Gail's distinctive voice, signature humor, and lush steampunk setting are sure to be the height of fashion this season.

Apocalypse Thoughts May 27 2020 Seventeen-year-old Kella O'Malley is living through the apocalypse. Maybe. She's definitely running from feral cannibals. When a pandemic begins mutating humans into killers during her spring break in Georgia, Kella joins with a group of teens and twenty-somethings to carry precious CDC data north on the Appalachian Trail. With no cell phones and no clue how far the mutation spreads, their only hope is to stay ahead of the "Hyenas" and hike faster than the world can end. If Buffy the Vampire Slayer had to save the world without superpowers, it would look a lot like this. But even while suffering from epic caffeine withdrawal, Kella is determined to protect her younger brother, keep them both from being eaten alive, and maybe even fall in love before the world definitely ends. "The end times are not what you were expecting," Kella writes in the shelter logbook along the way. "Be prepared for a lot of stomach growling. And a serious lack of condiments." "Also, take note: Cities overrun by feral human cannibals do not make for great spring break destinations. But on the bright side, it's very unlikely now that boredom is what will kill you." "Falling in love is terrifying. It ranks somewhere between murder hornets and being eaten alive by Hyenas." *Apocalypse Thoughts* is a young adult novel about possible love, possible zombies, and a definite shortage of coffee during the end times.

Hunted by a mad scientist and an evil fae? Ugh. Just another day in the life of a rat shifter... All Cyrus wanted to do was find a job so he could stop sleeping on his sister's couch. Getting turned into a rat? Not on his to-do list. Aren't shifters supposed to be lions, bears, and dudes with hairy man chests? Somebody missed the memo. Cyrus must survive the city's paranormal underbelly, and worse—the brutal world of rats. If he can't, he's a dead rat walking. The Chicago Rat Shifter series is a fast-paced, full tilt urban fantasy that proves that the best heroes come in small packages. V2.0

To Whatever End Oct 12 2021 What if with every person you met, after just one touch, you have a vision of the last time you'll see each other? Ever. Normally, these visions are innocent—two friends just drifting apart, a random stranger that brushed past you then never crossed your path again. But not today. When I accidentally touch him, within only moments of our first meeting, I'm bombarded by visions of his death. And from what I can see, I'm the reason he dies. Now I just need to figure out why, and how to stop this from happening. Because not only am I to blame, but his very last words to me are...I love you.
